

# WALPACK TOWNSHIP

April 23, 2020

## COVID-19

### INFORMATION UPDATE #02 – REMOTE PUBLIC MEETINGS

In compliance with Governor Murphy's Executive Orders, the Township of Walpack will be conducting our upcoming monthly Township Committee Meetings as remote phone conferences in order to minimize public gathering size and maximize social distancing, while still carrying out essential Township business.

Listed below is the Walpack Township Remote Public Meeting Phone Conference Dial-in Number for our meeting next Tuesday night, April 28<sup>th</sup>, at 7 pm, and for future meetings until further notice.

**774-258-4544**

**NOTE:** There is no additional Access Code or PIN to enter.

As you dial in, you will hear a "Welcome" message, and you will be automatically joined to the conference call. If your phone has a 'mute' option, please mute your phone until you are invited to speak. The reason for this request is that the background noise and feedback that results from many open lines on the call can make it very difficult to hear and understand the person speaking.

We will be limiting the Agenda for this month's meeting to our required annual Budget Introduction.

Thank you for your continuing efforts to

**STAY SAFE, STAY INFORMED, and STAY CONNECTED.**

Victor J. Maglio, Mayor
